WORK EXPERIENCE

Cambridge Middle School

Reading Interventionist

Cambridge, MN

December 2023-Current

- Employ data-driven methodologies to administer progress monitoring assessments, analyzing student reading fluency and decoding proficiency to inform tailored interventions.
- Cultivate collaborative relationships with educators to identify students in need of targeted support, designing personalized action plans to drive measurable academic progress.
- Craft engaging instructional materials within the REWARDS curriculum framework, applying user-centered design principles to enhance student literacy development and optimize reading proficiency.

Infinite Adapt

Learning Experience Designer

Hutchinson, MN

April 2023-Current

- Develop engaging and interactive learning materials for literacy endorsement courses, enabling educators to effectively grasp and apply literacy concepts with a completion rate surpassing 99%.
- Utilize Articulate Rise to design and develop a comprehensive literacy training endorsement that aims to enhance educators' instructional practices.
- Conduct extensive research on effective literacy strategies, pedagogical approaches, and best practices to inform the development of course content.
- Collaborate closely with subject matter experts and educators to gather input and insights, ensuring the course content's relevance and impact.
- Leverage a strong understanding of user experience design principles to optimize the usability and accessibility of graphic elements within educational materials.

British School of Malaga

Student Teacher

Malaga, Spain

January 2023-March 2023

- Utilized technology and multimedia resources to develop engaging and interactive instructional materials, enhancing the overall learning experience.
- Gained extensive hands-on experience in daily operational work, policy implementation, and learning design, acquiring comprehensive knowledge in these areas.
- Demonstrated effective collaboration skills by fostering strong working relationships with colleagues and promoting a culture of teamwork.
